Join the Crisis at Christmas night shift team
Give a safe night’s sleep to our guests this Christmas

Crisis at Christmas is a lifeline for thousands of homeless people. Join the team that makes it happen.

A good night’s sleep empowers our guests to engage with centre services during the day. Some guests find it difficult to sleep and rely on volunteers to support them.

If you come alive at night, volunteer to help homeless people take positive steps into the New Year by signing up for shifts between 10:15 pm – 8:30 am, 22–29 December.

For more information or to apply, please email ccvolunteering@crisis.org.uk

“It must not be underestimated just how important it is to be on duty in the sleeping bays, so that our guests feel safe and secure enough to get a good night’s sleep. This is quite a rare experience for many guests.”

(James Hayes, Night Shift Leader)
