

SHOUT ABOUT YOUR VOLUNTEERING

Hello I'm Lee.

I give to my community by running the cub pack for boys and girls aged eight to ten years old at the 1st Morden Scout Group.

I do it because I was privileged enough to try lots of exciting activities and meet a lot of interesting people through scouting over a twelve year period.

I believe every child deserves to get the same opportunities that I did.

What do I enjoy about giving my time?

What I enjoy most is seeing the cubs having fun doing an activity they are trying for the first time.

They have no preconceptions and always put their all into it, especially when they are doing it with friends they have made at the club.

The biggest challenge I've faced is keeping the cub pack going. When I started we only had four cubs and we now have seventeen. New members are always welcome!

I think volunteering in this way benefits Merton because scouting can provide every young person in the borough with the chance to try exciting and varied activities and make lots of new friends.
