

Shaping the future of Adults First We need YOU!

Would you like to influence the direction of Adults First to help us continue to meet the needs of our members?

Or are you a Kids First member thinking of joining Adults First?

Meet the Adults First Steering Group & hear about what we do. Find out how joining Adults First can benefit you & the person you care for.

Tell us what *you* think we should be doing, find out the different ways you can contribute to Adults First & discuss your ideas for future sessions.

If you are a Kids First member you can join Adults First when your child is 18 & still remain a Kids First member until they are 25.

Book your place now!
